

Master Chef

Cooking is a perfect occasion to bond with kids. To provide this tickling opportunity to children, Orleans - The School organised.

Master Chef Club on 18/09/2021. The event witnessed the enthusiastic maximum participants. Kids with the support of Ms Jayati (Resource person) learnt some easy and quick desert like cake sickles, cake pops, cake jars, cup cakes and many more. The session was a fruitful session with a lot of learning.

We can surely say -

*If food is wrong, Medicine is of no use.
If food is correct, Medicine is of no need.*
