

Dear Students

We hope you all are staying at home and protecting yourself.

The summer vacations are here, so relax and enjoy yourself. Spend time playing games with your family members, listening to stories from your grandparents, reading story books, cleaning up your room, or whatever you wish to do.

We would also like all of you to spend some time every day to revise the concepts done in different subjects. A few worksheets for each subject have been prepared for you, which will help you to do the same. Try to complete them independently, as far as possible. Take help from your parents/ siblings only when required. We hope you will have fun doing them.

Enjoy the vacations with your family.

Stay safe. Stay healthy.
